The Web

The image shows a screenshot of a web browser window. The address bar contains the URL "box.com/app/login/texaslegal?". The browser's toolbar includes a search bar with the text "Search" and several icons for navigation and utility. Below the toolbar, there is a blue header bar with the word "Contact" on the right side. The main content area features a login form with the following elements:

- Log in: State Bar of Texas Computer & Technology Section**
- Username**: A text input field.
- Password**: A text input field.
- Log in**: A button.

The bottom half of the browser window is a solid light gray color.

- Works with just about any browser on just about any device
- Has most (but not all) of the features of the other apps.

iOS App

The screenshot shows the iTunes Preview page for the app 'Texas Bar Legal - State Bar of Texas C&T Section' by LawBox LLC. The page is viewed on a mobile device, with navigation options for Mac, iPad, iPhone, Watch, TV, Music, and Support at the top. The app title is prominently displayed, followed by the developer name and a prompt to open iTunes. The app icon, featuring the State Bar of Texas seal, is shown on the left. A 'View in iTunes' button is located below the icon. To the right, the 'Description' section states it is the official app for the State Bar of Texas' Computer & Technology Section and contains over 60 Texas statutes. A 'What's New in Version 4.1.6' section notes fixes for PDF import and export. At the bottom, there are 'Screenshots' showing the app's interface, including an 'INDEX' screen and a 'TEXAS RULES OF CIVIL PROCEDURE' screen. The app is listed as 'Free' and is categorized under 'Reference', with an update date of Nov 18, 2016.
